Testing Jesus

The End is Near

Luke 21:5-38

Dennis Miller

Today's Focus

We conclude our **TESTING JESUS** series by looking at Jesus' teaching about the end of time in response to questions from His disciples. We will see the order of the things that will happen in the last days, and we will learn about what to do to prepare for these things. This is a long passage of Scripture to study in one lesson, but we will see an overview of some critical teaching.
