

WALK THE TALK //////////////////////////////////////

This page is designed for you to apply what you have learned from the Scriptures. Our goal is not just “to know” but to “act upon what we know.” (His Word, Our Walk!) We encourage you to discuss the following questions with family, friends and your LIFEgroup. Although you can review it on your own, it will be most useful to you when processed with others!

FOR DISCUSSION:

1. Why do you trust the Bible? What did you learn that helped?
2. What is your favorite translation and why? What translation did you grow up with and would you use it today?
3. What did you learn about Bible study and how would you apply it now?

Col. 1:15 The Son is the image of the invisible God, the firstborn over all creation. 16 For in him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him. 17 He is before all things, and in him all things hold together. 18 And he is the head of the body, the church; he is the beginning and the firstborn from among the dead, so that in everything he might have the supremacy. 19 For God was pleased to have all his fullness dwell in him, 20 and through him to reconcile to himself all things, whether things on earth or things in heaven, by making peace through his blood, shed on the cross.

THE REASON FOR THIS TOPIC —

There were multiple requests concerning why we should _____ the Bible, which _____ to use today, and how a person would _____ to study the Bible on their own.

I. WHY I TRUST THE BIBLE

A. Many writers of Scripture knew exactly _____ they were writing and _____ it would be used.

Dan. 9:2 in the first year of his reign, I, Daniel, understood from the Scriptures, according to the word of the LORD given to Jeremiah the prophet, that the desolation of Jerusalem would last seventy years.

2Pet. 3:15 Bear in mind that our Lord's patience means salvation, just as our dear brother Paul also wrote you with the wisdom that God gave him. 16 He writes the same way in all his letters, speaking in them of these matters. His letters contain some things that are hard to understand, which ignorant and unstable people distort, as they do the other Scriptures, to their own destruction.

B. Jesus confirmed the Old Testament as _____ many times.

John 5:39 You study the Scriptures diligently because you think that in them you have eternal life. These are the very Scriptures that testify about me,

John 7:38 Whoever believes in me, as Scripture has said, rivers of living water will flow from within them.”

John 13:18 “I am not referring to all of you; I know those I have chosen. But this is to fulfill this passage of Scripture: ‘He who shared my bread has turned against me.’

C. The earliest Christians were _____ the Scriptures that were accessible to them and considered them _____.

Acts 8:35 Then Philip began with that very passage of Scripture and told him the good news about Jesus.

Acts 18:28 For he vigorously refuted his Jewish opponents in public debate, proving from the Scriptures that Jesus was the Messiah.

D. The New Testament books were being _____ by Christians as _____ by 140 AD. (Marcion)

E. The _____ (the complete list of the 66 books) were _____ by church councils in 332 AD and 397 AD and have not been _____. (Councils of Damasine/Carthage)

F. These Scriptures, Old and New Testaments, have been used by Christians and _____ for nearly 2,000 years and have been proven to be _____ and accurate.

Apparent contradictions? What to do when people ask about them.

1. Don't be _____. The Scriptures need to be _____.
2. Ask _____ contradictions the person is referring to.
3. Study carefully and determine the _____ and why it is, or is not a contradiction to you and provide _____.

II. WHICH TRANSLATION OF SCRIPTURES SHOULD I USE?

A. First of all, we are _____ in a wonderful time of history when there are _____ good translations of Scripture and many ways to find and _____ them. (*If you lived 100 years ago . . .*)

B. For most people, the best translation to read and study is one that has a _____ of accuracy and readability.

III. HOW TO READ OR STUDY THE BIBLE FOR YOURSELF

Reading and studying Scriptures are two _____ things.

A. Reading the Scriptures is taking a few moments _____ to read devotionally and take away a _____ or an application for the day.

B. Studying the Scriptures is a _____ that involves time and _____ and ends with clear application.

N - _____ -- What is your conclusion, or how will you _____ or share this passage? What _____ need to be offered?
